President's Report

Well here are at the end of another year. Thanks to everybody that has put energy and time into the club throughout 2009. The clubs growth and development is testimonial to everybody's efforts. With the danger of missing somebody, I would especially like to thank the committee and those others who have assisted the committee throughout the year to get the club into a strong financial position for next year. A special thank you goes to Dianne and Bernie Bell who are always the first to get to a club event and the last to leave. Their efforts to promote the club are tireless and they are responsible for a lot of work that goes on behind the scenes and often unnoticed. Well done and I thank you for your support. I would also like to thank our cattle suppliers Pam and Carl Winkle who have ensured that the club has had a consistent supply of cattle throughout the year. I would also like to thank our very loyal and dedicated sponsors whose generosity have ensured that the club always puts on quality events.

On a personal note it has been a joy, meeting new members and watching individual skill levels improve across both disciplines. I hope to see a few more out and about competing in the new year,

make sure you come and say G'day. 2009 has been my final year as club president and I would like to wish the new committee all the best for 2010. I am confident that with the foundations that have been laid the club can continue to grow and become bigger and better in the years to come.

The Clubs AGM is scheduled for 31 January commencing at 1pm. There will be a BBQ lunch before for those that want to catch up. All seats on the committee will be vacant so if you are interested in putting some time back into the club make sure that you have your nomination forms back to Bernie (Secretary) prior to the due date. Details of where and how to nominate will be circulated soon and will be available on the clubs website shortly as well as proxy vote forms for those who maybe unable to attend but who may still want to have their say. For those without access to the internet Bernie Bell can be contacted on 07 3425 1137 if you have any questions regarding the AGM.

For those going away over the xmas break have a safe journey and to all, I wish you a Merry Christmas and a Happy New Year.

Best Wishes

John
