## **President's Report**

Good on ya mate, Crikey, what a cracker the Anzac Team Penning Challenge turned out to be. With the immortal words, *"we love coming to Dayboro"* ringing in my ears, the sun went down on another highly successful day of Team Penning. Congratulations to all those who participated, it was great show of horsemanship and friendly team reverie. Congratulations to our winners, Team Veivers with a deserved win in the Open section and to all our junior riders with Little Mountain Produce just stealing the main prize. Congratulations also to Team Goanna (Rock Dwellers) being our sponsors team that took out the lunchtime challenge, special mention to the ATPA with a formidable second. Also what can I say about the 'Crack a Tinney' girls who got right into the spirit of the Anzac Challenge. For those that missed it check out the video it's a cracker. The full list of results is now available on the clubs website.

Of course days like these cannot happen without the large team of people who put so much effort into the creation of these days and to our wonderful sponsors who we can not thank enough. Thank you all.

As we move on now onto the clubs calendar for the rest of the year and catch our breath it is still full steam ahead. Unfortunately our last cutting day was postponed due to unfavorable weather conditions, but keep checking the website for further updates in relation to Cutting activities. As we move through May with a Cattle Working clinic (team penning style) and head towards the next practice day on Queens Birthday weekend in June. There are lots of horsey events on at the moment including a number of District Shows and I wish all our members well.

Get out and enjoy the good weather and I will catch up with you all out and about.

John

## **Dayboro Show**

11- 12 July 2009 is Show Time. DCHC will be hosting an event following the team penning on Saturday afternoon. All welcome. The First Past the Post Challenge" is a campdraft cutout and completion of a first peg within the arena. Three head of cattle will be placed within the camp and at \$15.00 per run everybody is encouraged to come and have a go. There will be prizes for the best Open Cut out as well as junior and novelty prizes so make sure that you are part of the action. Nomination forms are available on the website for this event as well as within the Dayboro Show Program and on the Dayboro Show website. Pre- nominations are preferred but some nominations will be accepted on the day.

Please note that the Dayboro Trail Riders runs a Team Penning Competition on Sat and Sun 11 & 12 of July at the Dayboro Show. Although not run by Dayboro Cow Horse Club all members are encouraged to support our neighbouring club and nomination forms are available on the website.

Also the Dayboro Show Society is also seeking volunteers at the show to help assist ring stewards etc. If interested please contact Tina after hours on Ph 5496 4933.

### Dress Code

All club members are advised that the wearing of long sleeve shirts is encouraged at club days and practice days. However at competitions long sleeve shirts will be a required by all participants. Long sleeve shirts look great and help protect all riders from the glaring sun that reflects up from the arena surface.

### Smoking Policy

There is to be no smoking within the arena or within the canteen area. Your support of this club rule is appreciated.

### Australian Team Penning Association (ATPA)

At the Anzac Team Penning Challenge, the formation of the Australian Team Penning Association was announced. The aim of the association is to promote the sport of Team Penning in Australia, make a level playing field and to have uniform rules and interpretation of rules. The committee and positions are President:- Ty Granger, Vice President:- Mick Nolan, Secretary:- Sandra Gilchrist, Treasurer:- Dot Nolan, Marketing & Promotions:- Caron Granger, Area coordinators:- John Lautenbach & Tina Wells, Judges Coordinator:- Dean Gilchrist.

The formation of a National body for Team Penning is long overdue and much supported with the potential for the standardisation of rules between clubs, reciprocal club membership, register of points and a national competition.

It is good to see that Dayboro is right in amongst the fore front of Team Penning in Australia and we wish the formation of this association well.
